

## **The Journal of Solid Waste Technology and Management (JSWTM)**

Published by **International Society of Waste Management, Air and Water (ISWMAW), India**

in Collaboration with: **Widener University, Chester, USA & Consortium of Researchers in International Collaboration (CRIC), India**

### **Instructions to Authors for submission of articles:**

Submit article to: [journalswtm@gmail.com](mailto:journalswtm@gmail.com)

JSWTM publishes full length papers that provide significant contributions to the **field of solid and liquid waste technology, management, Policies and Circular Economy**. All papers are peer reviewed. Processing Registration (PRF) fee for publication per article is INR 5,000/- for Indian & USD 150 for foreign authors payable to "ISWMAW" after acceptance before publication.

**GENERAL INSTRUCTIONS:** Submitting the manuscript is a representation that it has not been copyrighted or published, and is not being submitted for publication elsewhere. A forwarding letter with personal declaration should be submitted to the Editor-in-Chief along with the paper mentioning that the paper has not been copyrighted or published, and is not being submitted for publication elsewhere and agree to pay the Processing Registration Fee (PRF) for publication of INR 5,000/- for Indian and USD 150 for foreign authors payable to "ISWMAW" by bank transfer or online ([www.iswmaw.com](http://www.iswmaw.com)) after the acceptance before publication. The forwarding letter should mention the name of the Plagiarism Detection Software (PDS) used and the % similarity found for the paper and mention the **Novelty in the paper in 45 words**. The Papers should have a main author to whom correspondence will be sent. The main author carries full responsibility that all other authors have approved the manuscript and to pay the PRF.

**List of reviewers:** Submit the list of four reviewers [two from other country/ies and none from author's organisation/s, name, designation, affiliation, email id and mobile no].

---

**MANUSCRIPT:** Include all authors' name/s and affiliation/s on the first page. Include Postal address, email address and mobile number with country code of all the mentioning the corresponding author. Titles and headings should be as short as feasible within 12 words. Avoid using footnotes—instead use referencing. Units should be SI or American with SI in parentheses. Be as concise as feasible – avoid unnecessary or repetitive information. The annotated report checked by PDS to be submitted with manuscript. The similarity should be within 15% with self-plagiarism and with exclusion of common words and quotes. The full article should be between 25,000 to 35,000 characters with space. The article should be submitted with 25 mm margin on each side on A4 size, using 12 font size times roman letters, single space in word file and pdf files in single column. Each figure and tables with good readability should be cited in the text.

---

**ABSTRACT AND KEYWORDS:** Abstract (mandatory) in 200 words should clearly outline the main idea of the paper. Include five keywords after the abstract for indexing purposes.

---

**ILLUSTRATIONS:** All illustrations 200 words (tables, graphs, photographs and figures) should be properly identified by numbers and with short caption. Each illustration should be cited within the text. The illustrations should mention sources wherever required.

---

**REFERENCES:** APA (American Psychological Association) system should be used. Consecutively numbered or alphabetized in a reference list at the end of the paper. All references should be complete and give adequate information.

---

#### **FOR MORE INFORMATION:**

Telephone: +91 9830044464; 91 8240537668 (WhatsApp too), +610 499 4042

email: [journalswtm@gmail.com](mailto:journalswtm@gmail.com), [iswmaw@gmail.com](mailto:iswmaw@gmail.com), [solid.waste@widener.edu](mailto:solid.waste@widener.edu)

**Best Paper:** Each issue will select one paper for "**Best Paper Certificate**". Annual Reward among best papers. .

➤ **Submit the article only to the email: [journalswtm@gmail.com](mailto:journalswtm@gmail.com)**

## Editors

<b>Editor-in-Chief:</b> <b>Prof. Dr. Sadhan Kumar Ghosh</b> , Director, Sustainable Development & Circular Economy, ISWMAW, & Ex-Dean, Faculty of Engg. & Tech., Jadavpur University, India, Site: <a href="http://www.sadhankghosh.com">www.sadhankghosh.com</a>
<b>Editor:</b> <b>Prof. Dr. Ronald L. Mersky</b> , Professor & Chair, Civil Engineering, Widener University, USA
<b>Associate Editor</b> <b>Prof. Dr. Agamuthu Pariatamby</b> , Professor, Sunway University, Malaysia, <a href="https://jci.edu.my/agamutu-pariatamby/">https://jci.edu.my/agamutu-pariatamby/</a> <b>Dr. Atul Narayan Vaidya</b> , Director, CSIR-NEERI, Nagpur, India <b>Prof. Dr. Debendra Chandra Baruah</b> , Dept of Energy, Tezpur University, Assam - 784028, India <b>Prof. Dr. Dhanada K. Mishra</b> , Technical Director, Product; RaSect AI ( <a href="http://www.rasect.ai">www.rasect.ai</a> ); Hong Kong; <b>Dr. Francesco Di Maria</b> , Asso Professor, University of Perugia. Italy <b>Prof. Dr. Harish Hirani</b> , Professor, Mech Engg Dept., IIT Delhi; Ex-Director, CMERI-CSIR, India <b>Dr. Prasad Kaparaju</b> , Associate Professor, Griffith School of Engg., Griffith University, Australia <b>Dr. Premakumara Jagath Dickella Gamaralalage</b> , Director, IGES-CCET, Japan <b>Dr. Richard Blanchard</b> , Reader in Renewable Energy, Loughborough University, UK; <b>Prof. Dr. Regina Mambeli Barros</b> , The Federal University of Itajubá, Brazil
<b>Name &amp; Areas of Interest</b>
<b>Editor-in-Chief: Sadhan Kumar Ghosh</b> Director, Sustainable Development & Circular Economy Research Centre, ISWMAW, Ex- Dean, Faculty of Engg. & Tech., Ex-Professor of Mechanical Eng & Founder Advisor, Centre for Sustainable Dev. & Resource Efficiency Mngt., Jadavpur University, India, Founder & President, International Society of Waste Management, Air & Water (ISWAMW), Ex-Director, CBWE, Govt of India, Ministry of Labour & Employment, Website: <a href="http://www.sadhankghosh.com">www.sadhankghosh.com</a>
<b>Areas of Interest:</b> Solid Waste (Policies, Supply Chain, Recycling, Material & Final Disposal), Liquid Waste Management (Treatment, & Recycling), Sustainable Env Management, Management of wastes (Hazardous Wastes, E-waste, Plastic Waste, C&DW, & BMW), EPR, Policy & legislation, Waste Coprocessing, Lean Manufacturing & zero waste, Material & Energy Recovery, 3R & Circular Economy (CE), Resource Efficiency (RE) & Secondary Raw Materials (SRM), Waste to Energy, Business Excellence Models on WM, Related ISO Standards, SME Sustainaability.
<b>Editor: Ronald L. Mersky,</b> Professor of Civil Engineering, Chair, Department of Civil Engineering, Director of Solid Waste Project, Director of Engineering Outreach; Widener University, One University Place, Chester, PA 19013, USA
<b>Areas of Interest:</b> Solid waste topics (recycling, landfilling, and energy recovery); Environmental impacts of waste management; Public involvement in the environment; Environmental engineering
<b>Associate Editors</b>
<b>Agamuthu Pariatamby,</b> Professor, Special Studies Division, Jeffrey Cheah Institute on Southeast Asia; and Jeffrey Sachs Center on Sustainable Development; Sunway University, Malaysia, <a href="https://jci.edu.my/agamutu-pariatamby/">https://jci.edu.my/agamutu-pariatamby/</a>

## **The Journal of Solid Waste Technology and Management (JSWTM)**

Published by **International Society of Waste Management, Air and Water (ISWMAW), India**

**in Collaboration with: Widener University, Chester, USA & Consortium of Researchers in International Collaboration (CRIC), India**

<b>Areas of Interest:</b> SWM, Plastic Biodegradation, Sustainable Env. Management, Life Cycle Analysis, Hazardous Wastes, Solid Substrate Technology, GHG Reduction, MFA & POPs, Circular Economy, EPR, Waste-to- Energy.
<b>Atul Narayan Vaidya,</b> Director, CSIR-NEERI, [National Environmental Engineering Research Institute], Nagpur, India
<b>Areas of Interest:</b> Solid and haz. waste management and their quantification and characterization; designing of secure landfills; eco-toxicological studies on landfill leachates; designing of MSW transportation system; recycling and reuse of MSW management; GHG emissions from landfills, Technological options for environmentally sound management of haz. wastes in industries.
<b>Debendra Chandra Baruah,</b> Department of Energy, Tezpur University, P.O.- Napaam, Tezpur, Assam - 784028, India
<b>Areas of Interest:</b> Bioenergy, Rural and agriculture energy management,
<b>Dhanada K. Mishra,</b> Technical Director, Product; RaSect AI (www.raspect.ai); Hong Kong; Former Visiting Research Scholar, Hong Kong University of Science & Technology (www.ust.hk); Director - KMBB College of Engg and Tech (On Sabbatical);
<b>Areas of Interest:</b> Cement substitution and alternative cement, Circular economy, Recycling and Value addition, Climate Change, Carbon Footprint and Sustainable Construction, Sustainability of Built Infrastructure, Cement-based Composites.
<b>Francesco Di Maria,</b> Associated Professor, Head of the LAR Laboratory (Reuse, Recycle, Recovery of Waste and Residues), Dipartimento di Ingegneria, University of Perugia. Università degli Studi di Perugia, Italy
<b>Areas of Interest:</b> Waste disposal, recycling and recovery of waste and residues with particular attention to integrated sustainable approach
<b>Harish Hirani,</b> Professor, Mech Engg Dept., IIT Delhi; Ex-Director, CMERI-CSIR, Durgapur, WB; India
<b>Areas of Interest:</b> Design, operation and maintenance of waste disposal plants. Design, operation and maintenance of waste water treatment plants
<b>Prasad Kaparaju</b> Associate Professor, Environment Engg - Renewable Energy, Griffith University, Australia
<b>Areas of Interest:</b> Biomass to Biofuels, bioethanol & biofuel production & conversion technologies, nutrient and energy recovery from industrial & agricultural wastes; BioCNG production. Anaerobic Digestion, Env. Biotechnology & Bioprocess Engg, Biomass Pre-treatment & Characterization, Climate Change, GHG Mitigation, Waste and wastewater treatment, biohydrogen etc.
<b>Premakumara Jagath DICKELLA GAMARALALAGE</b> Director, IGES [The Institute for Global Environmental Strategies] Centre Collaborating with UNEP on Environmental Technologies (CCET), 2108-11, Kamiyamaguchi, Hayama, Kanagawa, 240-0115, Japan
<b>Areas of Interest:</b> Participatory planning, decentralised/ bottom-up development policies, sustainable cities, waste management, 3R (reduce, reuse and recycle), circular society
<b>Richard Blanchard,</b> Reader in Renewable Energy, Wolfson School of Mechanical, Electrical and Manufacturing Engineering; Loughborough University, Loughborough, Leicestershire, Holywell Park; UK;
<b>Areas of Interest:</b> Bioenergy systems, energy for development, sustainability (including life-cycle assessment), and e-learning, Strategic Environmental Assessment of Renewable Energy Policy.
<b>Prof. Dr. Regina Mambeli Barros,</b> Professor de Resíduos Sólidos, The Federal University of Itajubá, Brazil, Strategic Environmental Assessment of Renewable Energy Policy,
